

BIOGRAPHICAL INFORMATION

JUDY BORSHER

Judy Borsher, CPA, MBA, CITP is the President of SCG Training and Consulting, a technology firm providing instructor-led training, consulting and programming services. She also is a long-time presenter of technology CPE programs for the accounting community and since 1987 has delivered over 1,500 technology lectures with consistently high ratings.. Judy specializes in creating customized training programs on Microsoft Excel and other MS Office products and providing Visual Basic programming services to develop financial and reporting solutions.

Prior to establishing SCG, Judy worked for KPMG, in industry finance positions and also with a national training company under contract with IBM, developing, managing and presenting technology training programs. Judy has been a speaker at the Maryland Association of CPAs Computer Conference for the past 14 years and a presenter of technology CPE courses to members of the MACPA and The Business Learning Institute, Inc. since 1987. Judy is a member in good standing of the American Institute of CPAs, the Greater Washington Society of CPAs, the Virginia Society of CPAs and the Maryland Association of CPAs. Judy holds an MBA degree from the Johnson Graduate School of Management at Cornell University, where she also was an undergraduate.
